Product: High visibility Vest

Reference: Alexandria

Performance levels/protection class:
Class 2 – Garment class

Certification Technician

Paulo Rodrigues

CTV declares that the Personal Protective Equipment (PPE) mentioned complies with the essential health and safety requirements, according to the Regulation (EU) 2016/425, of the European Parliament and of the Council of 9th March 2016, and with the following harmonised standards/technical specifications: EN ISO 20471:2013 A1:2016 - High visibility clothing - Test methods and requirements and EN ISO 13688:2013/A1:2021 - Protective clothing - general requirements.

The result of PPE evaluation is described in the evaluation reports REL.UE.061/2022-1 of 05/09/2022 and REL.UE.061/2022-2 of 26/09/2022.

This certificate refers exclusively to the model(s) of PPE described and must be accompanied by the respective EU Declaration of Conformity.

This certificate was issued for the first time in 26/09/2022 and is valid as long as the test methods and/or the production control requirements in factory - defined in the harmonised standard(s), declared by performance level(s)/protection class - are maintained and the product and its manufacturing conditions do not change significantly.

In case of PPE category III, this certificate alone does not allow the right for apposition of the "CE marking" without the product shall be subject to Module C2 (conformity to the type based on internal manufacturing control plus supervised product checks at random intervals - Annex VII) or Module D (quality assurance of the production process – Annex VIII) according Regulation (EU) 2016/425, of the European Parliament and of the Council of 9th March 2016.

Product technical details and its certification are described in the respective technical file.

NOTE:

The garment doesn't include logos, emblems, prints and embroidery.
